

The Eco Design Advisor service is celebrating its 10th birthday and you're invited.

ECO DESIGN ADVISOR

CONFERENCE WORKSHOP

15 April 2016

9:30am-6pm (doors open 9am)

City Library, 4 The Square, Palmerston North

Our Eco Design Advisors will present on the following topics:

THE 10 ABSOLUTE, MUST-HAVE UP-SPECS FOR 2016.

Ian Mayes, Hamilton City Council

DOUBLE GLAZING – DEMYSTIFYING THE OPTIONS.

Richard Popenhagen, Nelson City Council

HOME SCHOOLING: BEST PRACTICE IN CLIENT-CENTRED LEARNING.

Nelson Lebo, Palmerston North City Council

HOME HEATING CONSIDERATIONS AND OPTIONS.

Adrian Feasey, Auckland Council

RAISING THE STANDARD OF RENTAL HOUSING: CASE STUDIES AND EXPERIENCE.

Eion Scott, Auckland Council

THERMAL IMAGING: REVEALING HIDDEN TRUTHS AND OTHER USES.

Martin Barry, Hutt City Council

BUILDING ABOVE THE BUILDING CODE: SHORT TERM SAVINGS CAN MEAN LONG TERM COSTS.

Keiron O'Connell, Invercargill City Council

LAYOUTS AND BUBBLE DIAGRAMS, FOR NEW BUILDS AND ALTERATIONS.

Richard Morrison, Kapiti Coast District Council

This year's event takes a closer look at the Eco Design Advisor service, its origins a decade ago, and the incredible diversity of work that the current crop of EDAs do on a regular basis.

The day will include a plenary session, workshop sessions and networking drinks. See you there!

For registrations go to ecodesignadvisor.org.nz

Price \$110, special discount for Home Performance Advisors, Community Energy Network members and students \$65

This includes lunch and morning tea. Please RSVP by 1 April

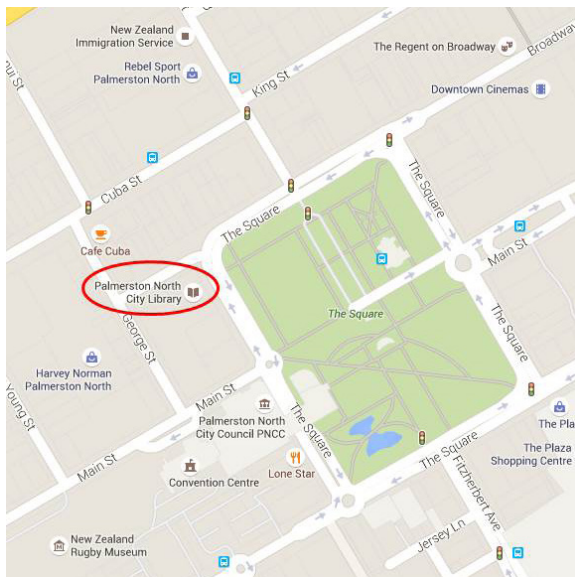

PLEASE CIRCULATE TO FRIENDS OR COLLEAGUES WHO MAY BE INTERESTED

Many thanks to our sponsors for the day:

LOCATION:

City Library,
4 The Square, Palmerston North

ECO DESIGN ADVISORS

10 YEARS OF INDEPENDENT PERSONALISED ADVICE

THE ECO DESIGN ADVISOR NETWORK

The award-winning Eco Design Advisor service provides free independent advice, on how to best use energy, water and materials on home improvement, new building and renovation projects.

Eco Design Advisors provide expert and independent advice on how to make your home warmer, drier, healthier and cheaper to run.

A 2-hour free consultation visit is offered by the following councils:

Auckland
Hamilton City
Palmerston North City
Kapiti Coast District
Hutt City
Nelson City
Invercargill City
